(U//FOUO) A new feature has been added to the SID *today* page: the **Social Functions Calendar**. It can be found in the "Calendars" section of the SID *today* homepage. In it you'll find a display of upcoming retirement ceremonies, open houses, and more. Anyone can post a function to the calendar -- just click on the "Submit an Event" button. Check this calendar periodically for items of interest!

(U) No further text.
